

Child(ren)'s Name(s): _____

Sam Jones United Methodist Church
PUMP Consent Form

Church policy states "written permission shall be obtained when groups leave the church property. This includes transportation by private or church owned vehicles."

The nature of the PUMP, Programs for United Methodists Pre-teens, makes it necessary from time to time to leave the church for outings, eating out, service projects and other activities. Transportation will be provided by approved drivers in the church bus and/or by private car.

This form has been prepared in keeping with the policy of securing parental permission. Please read carefully, sign if you agree, and return this form to the church.

Your child will not be transported to activities without your written consent on this form.

_____ may participate in off-campus functions of PUMP with Sam Jones United Methodist Church.

I understand that these activities may include after school and weekend functions that do not involve an overnight stay.

I understand that parents will be notified prior to any off-campus functions.

Signature of Parent or Legal Guardian

Date

This consent form is valid from the date of signature until May 31, 2011.
